Proofs may be requested at an additional charge, of \$14 they will slow down the processing of your order, but they will guarantee accuracy of desired content. For photo cards, wallet size photos work best. When submitting an electronic picture for your business cards, send the highest quality setting and email it in a Jpeg format. You may also submit a photo for scanning at a fee of \$10 (pictures will not be returned). We highly recommend you purchase a proof on any special requests or picture business card orders since differences in color & in scanning photos can vary from different types of pictures submitted with orders. If you do not request a proof before printing, recipient will assume all responsibility of final print and Zero Point shall be held harmless. All Photos submitted will not be returned and become sole property of ZeroPoint.

(Please Print Very Clear & Large Letters Using Medium Point Black Ink Only) We will not be held responsible for illegible copy or spelling errors.
